We can realize our dreams to foster UCN's future if we all contribute to them together.

Suggestions on using the chart to determine your fair share:

- 1. Assess your level of commitment to our church. If you're a new member or making an initial commitment, you may wish to begin at the first level, "Uphold." If you feel a growing commitment, try the second level, "Encourage." If you feel a strong commitment, consider the "Further" level. A "Champion" represents remarkable commitment to our common mission.*
- 2. Follow the column you chose in step one to the row that most closely represents your income level to find a suggested pledge.*
